- Machine learning
- Mathematics
- Table tennis
- Learning languages

LANGUAGES

- Uzbek - Native
- Russian
- English
- Arabic

PROFILE

Backend developer with professional experience building web applications using Laravel and Python. Currently employed as a full-time developer on an LMS project, having progressed from a 3-month internship to a permanent role. Alongside my backend work, I am actively self-studying Machine Learning through hands-on Python projects. Eager to grow into AI/ML engineering and contribute to teams where I can learn on the job.

EDUCATION

- Bachelor of Computer Science October 2023 - Current
 - Millat Umidi University, Tashkent
- Academic Lyceum of Westminster September 2021 - July 2023
International Universtiy in Tashkent
 - Graduated with High Honors • GPA: 3.9/4.0

WORK EXPERIENCE
